SULADS REPORT

TEACHER A NOBLE CALLING

JOSHUA & ANJANETTE

March has been another fulfilling month for us. We continue our mission as teachers in Xiangkhouang, Laos. We are blessed to serve here, not only as educators but also as vessels for sharing the message of hope and love through God's Word.

Throughout this month, our focus has remained on combining both academic learning and spiritual growth for our students. We dedicate time to share Bible stories when there is an opportunity to do so.

We thank God for the privilege of serving here and for the support and prayers from our partners and friends. We look forward to the months ahead, trusting that God will continue to guide us as we work to make a lasting impact in the lives of our students.
